Seasalter by Groote Post

From mostly Sauvignon Blanc grown on the ocean exposed slopes of the Darling Hills of South Africa, just a splash of Semillon is added. Blackcurrant, granadilla and citrus notes are well supported by very subtle oak influences. A vibrant, fresh, and delicious white wine with just the perfect level of depth from the extended lees ageing.

The Crusher Cabernet

With aromas of blackberry, dark cherries and cassis, this bold Cabernet from California is rich and ripe with a full structure and added depth from the ageing in new and used French and US oak barrels. A full bodied red wine, with a supple texture from the Clarksburg and Lodi wine regions adjacent to Napa valley.
